

The Space Youth Club respect and boundaries agreement

Our club members have developed and agreed a set of boundaries to keep everyone safe and happy. They are:

- Be respectful and kind
- No hitting or shouting
- Look out for anyone that may need a little support
- No going on or behind the stage unless we have a specific activity
- Only go in the kitchen with youth club helpers are present
- Respect that the piano is the church's and not ours so no playing it
- Be mindful if we need to run around
- Don't go outside as we need to keep safe
- We agree that we will have consequences such as time out if we break the agreement

Our team members are always there for anyone to talk to – just reach out
